This year, the Frankston Arts Centre proudly marks its 30th anniversary!

Since its opening on 20 May 1995 by then Prime Minister Paul Keating, the Centre has stood as a cornerstone of creativity, culture, and connection in our community.

In 2025, we're excited to give this beloved venue a well-deserved refresh with a forecourt redevelopment. As a vital cultural asset, ongoing investment ensures its safety, accessibility, and exceptional experience for all who visit. The Centre remains a key driver of the local economy and a shining beacon of the arts.

Join us in June for a cocktail party and *Hall Stories* as we celebrate the community that makes us who we are. See page 17 for details.

Duration

Experience a verbatim theatre-style performance based on all the apologies that the world keeps offering - the famous, the obscure, the deeply personal and those that begin every second email in our inboxes.

Sincere Apologies investigates how we say sorry, and how we really mean it. A wild interactive ride that transforms the audience into a temporary community, coming together to move through our collective regret to a place where we might try to fix the parts of the world that are broken.

This unique experience is awkward, funny, unexpectedly intimate and strangely moving.

OC

Journey back to 1940's post-war Perth, with this toe-tapping, funny and poignant Australian musical performed by a stellar cast backed by a live band.

Against a backdrop of curfews, and the fear of arrest, white and black manage to form their own club where they can forget their worries and experience rare happy times, and with a little luck... romance.

Forty years on, as the club faces demolition, our characters meet once again to stage a musical reunion and protest in an attempt to save their old stomping ground.

Dark secrets and ghosts that have lingered for more than half a century are revealed, and we discover that reconciliation is more than saying sorry.

After five-star seasons in Edinburgh and Off-West End in London, **Breaking The Castle** returns to Australia.

Described as “the most significant theatre production audiences may ever experience”, it follows the story of David, a struggling actor whose life is a chaotic blend of substance abuse, Shakespearean soliloquies, failed auditions and debilitating mental health. David takes himself to the brink, until an unlikely lifeline offers hope in the mountains of South-East Asia.

A genuine work of empathy, **Breaking the Castle** is an extraordinary, often hilarious, and true story about the indomitable nature of the human spirit.

Big Brother is back. Strap in for an electrifying take on the George Orwell classic – from the multi-award winning creative minds at Shake & Stir (Frankenstein, Jane Eyre, Wuthering Heights and Dracula).

It was a bright cold day, and the clocks were striking thirteen... Winston Smith, an editor at the Ministry of Truth, sits quietly. A quick swig of gin; a glance of quiet optimism toward the telescreen. Winston opens his diary, puts pen to paper, and in doing so, commits the essential crime that contains all others in itself. A radical and unprecedented act of rebellion.

Discovered, entrapped, and incarcerated in the Ministry of Love, Winston, in defending his burning desire for personal freedom, prepares for the fight of his life. Can the oppressive forces of The Party, led by BIG BROTHER, obliterate the indomitable human spirit? And what exactly awaits within Room 101?
